Look no further! This home is such a great find for a homeowner or possibly for an investor. This home is 3 beds and 2 baths. There is a bedroom that can also be an office on the lower level. The Owners bedroom has its own attached full bathroom, and an additional full bath on the 1st floor. This home has had so many updates and upgrades. From new flooring, paint, kitchen, granite, wood blinds, fenced back yard with access to the alley. Retaining wall in the front with a patio for grilling. Covered front porch, and back patio. So many wonderful things to enjoy. It will not last. Conveniently located in Waynesboro. Easy to 64 and all the markets and parks in the Waynesboro area.
